ROOTS & BRANCHES

A series of reflections for March and April about our upcoming Clergy and Congregational Renewal Time.

**I am the vine; you are the branches.
Those who abide in me and I in them bear much fruit.** JOHN 15: 5

Last Sunday I began a Sermon Series entitled "Things That Matter" with the intention of introducing a series of self-reflective questions as a precursor for the upcoming Clergy and Congregational Renewal (CCR) time when I will be away on Clergy Renewal Leave (CRL) from **April 17 – July 17**. During the actual leave time, both the congregation and I will be taking intentional time apart to reflect on our own faith journeys, not only by considering some of the questions posed in this series, among others, but more importantly by exploring the "**ROOTS & BRANCHES**" of our life of faith, both personally and communally, the theme of the whole renewal experience.

The **1st month** of the renewal time, the congregation will have an opportunity to hear and read stories shared by the FCC community. These reflections will be looking back, with deep gratitude to God, as folks recall our early foundations, the **ROOTS** of our congregation that have sustained us and enabled us to flourish in faith through the years.

The **2nd month**, FCC folks will be sharing stories and reflections about experiences that convey something about our **CORE**, or

what sustains us and is enabling us to flourish in faith in the current time period. This will be a time of prayerfully taking our temperature, so to speak, and discerning, with God's guidance, the questions: "What are our greatest strengths?" and "Where are our growing edges?"

The **3rd month** members of our community will be sharing reflections and stories that give voice to their hopes and dreams for the **BRANCHES** in our future. This will be an important time

to prayerfully consider where God might be leading us in the journey ahead.

Throughout the three month CCR time, you will hear members' stories and reflections offered in worship, in multiple ways, shared in the newsletter, and when possible in smaller listening circles.

I will be engaging in some similar exercises and experiences of reflection while I am away on Clergy Renewal Leave. You will hear the details about my plans in the next installment of this newsletter series in our upcoming Pathfinder.

If you have any questions at any point about our Clergy and Congregational Renewal (CCR) time, feel free to reach out to me, the CCR chair, Kate Lindsay, FCC Board Chair, Dave Maharry, or Pastor Kevin.

In the meantime, may we remember that no matter where we are on the journey, it is the True Vine himself that has given us this wonderful life together for the sake of God's beloved world.

**Grace & Peace,
Darla**

2023 Prayer Vigil— Time Alone with God

In between Good Friday and Easter morning we will maintain our annual Prayer Vigil. This is a time of reflection, meditation, and prayer. An opportunity for you and your family to have an uninterrupted time in the place where we worship, to be alone with God.

Whenever Christians “keep vigil” we give of our time that we normally spend doing other things, including sleeping, in order to devote ourselves to our relationship with God. When we participate in the Holy Week Prayer Vigil, we demonstrate our commitment to prayer and focus on the sacrifice Jesus Christ has made for us. We hope you will sign up for any hour-long time slot starting on Friday night, April 7, and ending early Easter morning. There will be a signup sheet in the Narthex as well as online by following the link below:

If you have trouble signing up using the link, please contact Pastor Kevin. If you have any additional questions regarding the prayer vigil, feel free to contact Dave Lunsford or Pastor Kevin. Peace and blessings be with you all as we continue through this Lenten season.

In just a few weeks, Ash Wednesday will be upon us and the beginning of our Lenten journey towards Easter! Here is a calendar of coming events:

Lenten Ecumenical Soup & Supper Series

Mark your calendars! This year in Lent we will get to return in person and celebrate our ecumenical friendships by sharing in a weekly Tuesday evening Lenten Soup and Supper Series hosted by each congregation. The series will be focusing on a conversation around immigration presented and facilitated primarily by Wabash professor **Joyce Burnette, Professor of Economics, John H. Schroeder Interdisciplinary Chair in Economics**, along with other presenters, including pastors. A free will offering will be received each week to support the Rahimis, our Exodus Refugee family.

Ecumenical Worship during Lent / Holy Week

In the past few years, FCC has hosted the Good Friday Service. This year we have the wonderful opportunity of getting to create a brand-new meaningful service for Maundy Thursday! Ash Wednesday and Good Friday will be hosted by our ecumenical friends and partners. Here's the schedule:

DATE	TIME	WORSHIP SERVICE	HOST CONGREGATION
02/21	7 pm	Mardi Gras Celebration	St. John's Episcopal Church
02/22	7 pm	Ash Wednesday	Wabash Avenue Presbyterian Church
04/06	7 pm	Maundy Thursday	First Christian Church
04/07	7 pm	Good Friday	St. John's Episcopal Church

On **Sunday, March 12**, we will be celebrating **"Invite a Friend Sunday"**! In worship Pastor Darla will be offering a message entitled "Who Do We Call Friend?" Through this message, our prayers and our hymns, we will be celebrating and exploring the importance of connections with friends and the cultivation of friendships which sometimes are found in the most unexpected places—the places where Jesus often awaits us to take notice of his presence! This will be an opportunity to invite a friend as a way of acknowledging the blessing they are in our lives. There will be a simple cookie and goodies reception following worship in the narthex and parlor to celebrate all our friendships. We are looking forward to hopefully getting to see you and a friend or two that day!

March 28 Lenten Soup Supper

On **Tuesday, March 28, from 5:30-7:00**, we will be the host church for the Lenten Ecumenical Soup & Supper series. We need your help in providing pots of soup, bread (sweet or savory), crackers, and drinks as well as help setting up before the event and/or clearing up afterwards.

Please leave word in the church office or contact me with the way you would like to assist with this event. Thanks!

Organ Update

Our church organ developed some problems in December which were repaired on-site but then more problems occurred in January and the organ was unplayable. We did find a mouse nest in the organ but haven't determined if that was coincidental or the cause of the damage. Northside Music Company in Lafayette came and evaluated the organ and gave us a quote with several options.

The best news was that our organ is still a quality instrument and even though it's over 30 years old the manufacturer still supports it with a full line of repair parts. With this information, the best option is to have our organ repaired at a quoted cost of \$10,730, which fortunately we can cover using existing funds in the Trimble Memorial Fund. Northside Music will move the organ to their shop to make repairs then bring it back and set up and test on site as part of their quote. The repair is expected to take approximately 12 weeks and we have set up the electronic keyboard in place of the organ during this time.

I Love to See Children Work

Wasn't it good to see that busy swarm of children on Sunday moving through the aisles collecting our food offerings for the Faith Food Pantry! I really love those two or three minutes during worship when our kids gather in the groceries. We oldsters all seem to relish those moments.

I usually sit over on the right, by the aisle that is the last leg of their errand. When they reach that last aisle, their bags and baskets are getting heavy. Sometimes two little ones will each take a handle to share the load. Or one will muscle up on their basket or bag, determined to deliver their food for the hungry to the front of the sanctuary. Some mouths might be grimacing, but their eyes are laughing, and they certainly seem happy at their work.

Jesus said it: "I was hungry, and you gave me food." It's a simple project — non-perishable food for people in need. The bigger our weekly harvest, the more our children will work to gather it in. That's the kind of children's work I really like to see.

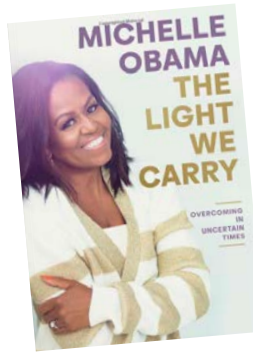

Note: Sunday's food offering put us over 500 lbs for 2023, and over 1,400 lbs since our weekly food ministry began in October 2022. Thank you all for your faithful support of Montgomery County's food-insecure population. ~Don Lindsay

Week of Compassion Auction

What a wonderful turnout of many generous donors for our Week of Compassion benefit auction! Special thanks to all who helped organize and lead, all who donated items for auction, all the bidders, and all our youth who were tremendous helpers, bakers and leaders!! Last year we raised around \$6,200—but this year we've broken our record and are currently at around \$7,500, but donations are still coming in!

Remember When...

We helped a congregation in Kinshasa, Africa, put a new roof on their church. At the time, we were starting a fund-raising campaign to join our two buildings. Becky Groves, chair of the World Outreach committee, felt we should do something for others while we were spending so much on something for ourselves. Others agreed and a plan was made to give 10% of whatever was raised to the church in Kinshasa for their roof. As a result, we sent them \$10,000.

To show their gratitude, the Kinshasa congregation sent us a bolt of cloth which we made into a communion cloth and altar cloths. These are often used on World Communion Sunday.

Remember When... We shared our building with a Hispanic congregation which had outgrown the house where they were meeting. During a discussion over coffee at the Scarlet Inn, Bernie Manker shared his concern with David Maharry about the plight of this group and planted the seed for them to share the use of our building.

After a few years, this thriving Hispanic congregation was able to purchase a church building on Garden Street and became Primera Iglesia Bautista.

Congratulations to the Kunzes!

I want to share the good news! Savitri gave birth to our baby boy, Luca Anand Kunze on Friday morning (2/24), 10 am. He is a month early, but luckily very healthy—6 pounds and 18.5 inches long. Savi was amazing during the labor, just about 4.5 hours long; no complications or interventions needed.

Please share the good news with our Crawfordsville and FCC family. He's been a good sleeper so far, and didn't need to visit the NICU. Hopefully we can continue getting... some amount of sleep.

~Andrew Kunze
